'THE LAUNCH OF THE NEW WEBSITE'

The new website is finally launched - www.parkerstangsoodo.co.uk

The idea of the new website is to keep you fully informed of forthcoming events, grading and any other useful information we can provide to you to make your experience of our club even better!

The website is currently its basic format. We have big plans for the website which will be very exciting with new areas being added every week. We will keep you updated of these as they are released (which will include training areas which will help you with your grading). We will notify you via email of any significant changes to the site. Please feel free to leave messages in the 'Guest Book' area which I read on a daily basis. You will notice a 'My Blog' page. This is a page that I can quickly update to give you quick messages about something that might have changed with the training or some good news etc. You can leave a message for me on the 'Blog' page by clicking on the envelope.

Our email address has also changed and is being checked daily – mail@parkerstangsoodo.co.uk

Feel free to email any pictures you may have which we can feature on the website. If you have any suggestions where we can improve the website then please let me know via email. We will gladly make changes if possible.

PLEASE REMEMBER THIS WEBSITE WILL ONLY WORK IF WE USE IT!
